# THE GREEN TEAM

...an environmental club for  
Massachusetts schools

THE GREEN TEAM program  
provides fun and interactive ways  
for students and teachers to  
learn how to reduce, reuse,  
recycle and compost in their  
classrooms, schools, homes and  
communities. Participating classes  
receive Certificates of  
Recognition and are eligible to win  
exciting awards.

THE GREEN TEAM is sponsored by:

The Massachusetts Executive Office of  
Environmental Affairs and  
Department of Environmental Protection

# You're Invited to Join THE GREEN TEAM

## What is THE GREEN TEAM?

THE GREEN TEAM is an interactive educational program that empowers students and teachers to help the environment through waste reduction, reuse, recycling and composting.

The Massachusetts Department of Environmental Protection provides resources to help GREEN TEAM members learn how to reduce waste and rewards classes that successfully complete one or more of the suggested activities.

## Why Should Our Class Join THE GREEN TEAM?

- **Help the environment!** By recycling, composting and reducing waste, we help conserve natural resources, preserve open space, and reduce our reliance on landfills and incinerators.
- **Receive educational materials!** Your class will receive a poster, achievement stickers, lesson plans and other resources.
- **Win great awards!** Participating classes receive Certificates of Recognition and are eligible to win prizes such as tree plantings, recycled products, entertaining presentations and more!
- **Get free recycling equipment!** Eligible classes may receive recycling bins, toters, compost bins and worm bins.
- **Enjoy special library privileges!** THE GREEN TEAM Library offers videos, books, curricula and recycling activity kits to GREEN TEAM members.
- **Build team spirit!** Through THE GREEN TEAM database, schools across Massachusetts can share information and learn from each others' experiences.

## How to Join THE GREEN TEAM

1. Complete and submit THE GREEN TEAM registration form by fax, mail or on-line at [www.thegreenteam.org](http://www.thegreenteam.org).

2. Once you have registered you will receive a GREEN TEAM kit containing instructions, a poster, GREEN TEAM achievement stickers, lesson plans and other materials.

3. Choose an activity to conduct with your students.

4. For each activity completed, place a GREEN TEAM achievement sticker on your poster.

5. Report which activities your class completed using the reporting form in your kit or on THE GREEN TEAM web site. You will receive a Certificate of Recognition for your class and be entered into the drawing for prizes such as recycled products, worm bins, tree plantings and special assembly presentations.
